

A hand-drawn floor plan of a building. The plan features several rooms: a large yellow room at the top left, a smaller yellow room labeled 'W.C.' (toilet) at the top right, a central yellow room, a green room on the left, a yellow room labeled 'R' (possibly a room or reception) at the bottom right, and a yellow room labeled 'K' (kitchen) at the bottom center. A staircase is located on the far right. The word 'Ditto' is written on the left side. The plan is drawn with black lines on a white background, with yellow and green color coding used to distinguish different areas.
